HOW TO MAKE IT

1. **Village bagels and lox** SNACK
   Split and toast 4 bagels. Spread each half thickly with cream cheese, using 200g in total. Top with 200g smoked salmon, 1 tbsp capers, thinly sliced red onion and small sprigs of dill. Cut each half in two to share.

2. **Deli pastrami on rye** SNACK
   Steam 500g sliced pastrami in a covered colander over simmering water for 8 minutes until hot and soft. Spread 8 slices rye bread with deli mustard, pile the pastrami high on 4 of them and close. Cut in half and serve with a dill pickle each.

3. **Deli hero, paid for** MAIN
   Steam 500g sliced pastrami for 10 minutes until glossy. Mix 100g mayonnaise with 2 tbsp tomato sauce, 1 tsp horseradish and 1 tbsp chopped pickle for Russian dressing. Toss 250g coleslaw mix with half the dressing. Fill 4 long rolls with pastrami, 8 slices Swiss cheese, the slaw and the rest of the dressing.

4. **Black and white cookies** SWEET
   Beat 115g butter with 150g caster sugar, add 1 egg, 80g sour cream and 1 tsp vanilla, then mix in 250g plain flour and 1 tsp baking powder. Scoop 12 mounds onto lined trays and bake at 180C for 12 minutes. Make a thick icing with 250g icing sugar and hot water, ice half of each flat side, then add 2 tbsp cocoa to the rest and ice the other half.

5. **Village vanilla iced coffee, paid for** DRINK
   The night before, stir 80g coarse ground coffee into 800ml cold water and refrigerate 12 hours, then strain through a paper filter. Simmer 50g sugar with 50ml water and half a tsp vanilla extract for 1 minute and cool. Fill 4 glasses with ice, add 150ml coffee, 15ml syrup and 80ml milk to each. Top with a small scoop of vanilla ice cream.

SHOWTIME CUE Serve the mains when Frank turns down the free meal at the deli.
