HOW TO MAKE IT

1 **Bagel paperweight bites with chive schmear** SNACK

Halve 8 mini bagels and toast until golden. Beat 250g cream cheese with 2 tbsp milk, 3 tbsp snipped chives and plenty of black pepper. Pipe or spread thickly onto the bagels. Top with 150g smoked salmon, a few capers and everything bagel seasoning made from sesame, poppy seeds, garlic flakes and salt.

2 **Mob truck choc-dipped sundae cones** SNACK

Soften 1 litre vanilla ice cream for 10 minutes. Melt 150g dark chocolate with 40ml coconut oil and cool to room temperature. Pipe the ice cream into 8 cones with a large star nozzle and freeze for 20 minutes. Dip the tops into the chocolate, then straight into 50g crushed roasted peanuts or sprinkles. Freeze 5 minutes to set.

3 **Terminal Bar burger** MAIN

Hand-form 600g beef chuck mince into four thick patties without overworking. Heat a griddle over medium-high heat. Season with 1/2 tsp salt and 1/4 tsp pepper just before cooking. Griddle for 5 to 6 minutes each side until cooked through, checking the centre reaches 75°C. Top with 80g cheddar in the last minute. Toast 4 burger buns cut-side down. Assemble with the patties, 1 thinly sliced raw onion and 80g sliced dill pickles.

4 **White frosted plaster cake** SWEET

Heat the oven to 180°C conventional and line a 16cm cake tin. Beat 100g softened butter with 100g caster sugar until pale. Beat in 2 eggs and 1 tsp vanilla extract, then fold in 120g self-raising flour and 30ml milk. Bake for 30 to 35 minutes until a skewer comes out clean; cool completely. For seven-minute frosting, whisk 2 egg whites, 120g caster sugar and 1 tbsp water in a heatproof bowl over gently simmering water for 7 minutes, until thick, glossy and hot throughout. Remove from the heat and whisk 2 minutes more until stiff. Cover the cake in a thick matte-looking layer, roughly smoothing it like plaster. Cut into four pieces.

5 **Terminal Bar whiskey sour** DRINK

Dissolve 50g caster sugar in 50ml hot water and cool. Shake 180ml bourbon, 90ml lemon juice, 60ml syrup and 1 egg white hard without ice for 15 seconds, then with ice for 15 seconds. Strain into 4 ice-filled rocks glasses. Add 2 drops aromatic bitters to each foam and a cocktail cherry.

SHOWTIME CUE Serve the bagels when Kiki shows off her bagel and cream cheese paperweights.
