HOW TO MAKE IT

1 **Token booth honey roasted nuts** SNACK

Toss 300g mixed nuts with 2 tbsp honey, 1 tbsp caster sugar, 1/2 tsp ground cinnamon and a pinch of salt. Spread on a lined tray and roast at 170C for 15 minutes, stirring halfway. Keep stirring as they cool so they don't clump.

2 **Gold token cookies** SNACK

Beat 200g soft butter with 100g icing sugar and mix in 300g plain flour to a dough. Roll 5mm thick, cut rounds the size of a subway token and cut a small hole from the middle of each. Bake at 160C for 15 minutes and cool. Brush with edible gold dust mixed with a drop of water.

3 **Arroz con pollo** MAIN

Brown 800g chicken thighs and set aside. Fry 1 onion, 1 capsicum, 3 garlic cloves and a handful of coriander until soft, add 1 tsp ground annatto, 300g long grain rice, 60g green olives, 1 tbsp capers and 650ml chicken stock. Sit the chicken on top, cover and cook on low for 25 minutes until the rice is tender.

4 **Guava pastelitos** SWEET

Cut 2 sheets puff pastry into 8 squares each. Put a slice of guava paste and a little cream cheese on half, cover with the rest and seal. Bake at 200C for 20 minutes and brush with sugar syrup.

5 **Money Train payday michelada** DRINK

Mix 1 tbsp flaky salt with 1 tsp chilli powder. Rub a lime wedge around 4 glass rims and dip in the salt. Add ice, 30ml lime juice, 60ml tomato juice, 4 dashes hot sauce and 2 dashes Worcestershire to each glass. Top each with a 375ml cold lager, stir gently and slip the glasses into small paper bags.

SHOWTIME CUE Pour drinks when the money train pulls into the station.
