STAY OUT OF THE TUNNELS

It is no place to sleep. If you need somewhere warm tonight, come and ask.

WHERE IS EVERYBODY?

Some of our regulars from down below have not come up for a meal in weeks. If you have seen them, or know where they went, please tell me. Captain Bosch at the precinct is asking too.

A.J.

HOW TO MAKE IT

1 **Soup kitchen cheddar and onion rolls** SNACK

Fry 1 sliced onion in 20g butter for 15 minutes until golden. Mix 500g bread flour, 7g yeast, 1 tsp salt, 1 tsp sugar, 300ml warm milk and 30g melted butter, knead 8 minutes and rise 1 hour. Knead in the onion and 100g grated cheddar, shape 12 rolls and pack into a tin. Rise 30 minutes, top with 50g more cheddar and bake at 200C for 20 minutes.

2 **Manhole cover mini pizzas** SNACK

Roll 500g pizza dough thin and cut 12 rounds. Spread with pizza sauce, using 150ml, and top with 150g grated mozzarella. Slice 80g pepperoni into thin strips and lay them in a crosshatch like a manhole grate. Bake at 230C for 8 minutes.

3 **The Reverend's soup kitchen stew** MAIN

Brown 1kg diced beef chuck in batches. Add 2 chopped brown onions, 3 carrots, 2 celery sticks and 2 tbsp tomato paste and cook 5 minutes, then 1 litre beef stock. Cover and braise at 160C for 2.5 hours, adding 600g potatoes in chunks for the last hour. Serve with a loaf of Italian bread.

4 **Greenwich Village cider doughnuts** SWEET

Reduce 500ml apple juice to 125ml. Mix with 60g melted butter, 1 egg, 100g sugar and 250g self-raising flour into a soft dough. Pat out, cut 12 rings and fry at 175C for 2 minutes a side. Toss in sugar and cinnamon.

5 **Glowing green cordial** DRINK

Pour 40ml lime cordial into each of four tall glasses over ice and top with tonic water, about 250ml each. Tonic glows blue-white under a black light, so switch the lights off.

SHOWTIME CUE Serve the soup when the Reverend's soup kitchen opens.
