A WORD FROM OUR FOUNDER

WELCOME TO JURASSIC PARK.

You are among the very first guests to visit Isla Nublar. Before your tour sets off, our Visitor Center restaurant will look after you, and I have made sure of one thing above all: we spared no expense.

Every place to eat is numbered on the guest map inside.

- [ ] 4 black tea bags
- [ ] 4 tbsp honey

How to make it

1 **Dino egg cookies** SNACK

Brown 125g butter and cool. Beat with 150g brown sugar and 1 egg, then mix in 225g flour. Wrap dough around 12 small chocolate eggs, shape into ovals and bake at 175C for 12 minutes. Flick with cocoa mixed with a little water for speckles.

2 **Raptor claw crisps** SNACK

Cut 6 flour tortillas into curved claw shapes. Brush with oil, sprinkle with salt and smoked paprika and bake at 200C for 8 minutes until crisp. Mash 3 avocados with the juice of 2 limes and salt for guacamole.

3 **Visitor centre lunch** MAIN

Brush 2 lamb racks with Dijon and press on chopped parsley and breadcrumbs. Roast at 220C until 55C inside, about 20 minutes, and rest. Boil 300g peas with mint and blitz with butter. Roast 800g baby potatoes. Slice and plate neatly.

4 **Spared no expense melting sundae** SWEET

Melt 100g dark chocolate with 100ml cream for hot fudge. Leave 1L vanilla ice cream out for 10 minutes so it softens a little too much. Scoop three each into chilled coupes, pour over the fudge and scatter crushed honeycomb.

5 **Ripple glass lime and mint iced tea** DRINK

Brew 4 black tea bags in 1 litre boiling water for 5 minutes, remove and stir in 4 tbsp honey. Cool and chill 2 hours. Muddle 12 mint leaves with the juice of 2 limes in a jug, add the tea and stir. Fill 4 tall clear glasses with ice, pour in the tea and garnish with lime wheels and mint.
