How to make it

1 **TCRI ooze dip** SNACK

Mash 3 avocados with the juice of 2 limes and salt. Fold in half a finely diced red onion, a handful of chopped coriander and 1 chopped red chilli. Press plastic wrap on the surface until serving so it stays green. Serve with 300g corn chips.

2 **Sewer lair pizza bagels** SNACK

Split 12 mini bagels and spread each half with pizza sauce. Top with 200g grated mozzarella and 100g sliced pepperoni and grill until bubbling. Serve hot, straight from the grill.

3 **Late-pizza pepperoni and pineapple pie** MAIN

Rest 2 balls of pizza dough, about 500g, at room temperature for an hour. Stretch thin, spread with 200ml pizza sauce and top with 250g grated mozzarella, 100g pepperoni, 200g fresh pineapple pieces and 1 sliced jalapeño. Bake on a preheated tray at the oven's highest setting for 8 minutes.

4 **Tokka and Rahzar mint choc shakes** SWEET

Blend 12 scoops mint choc chip ice cream, about 750ml, with 800ml cold full cream milk until thick and smooth. Pour into four chilled tall glasses and serve with straws.

5 **Ooze canister lime and kiwi slushie** DRINK

Peel and chop 4 kiwifruit. Blend with 60ml lime juice, 2 tbsp honey and 4 cups of ice until slushy. Add 400ml cold lemonade and pulse twice to mix without losing the fizz. Pour into 4 glasses, add a lime wheel and serve with thick straws.
