HOW TO MAKE IT

1. **Automat sandwiches** SNACK
   Mash 40g soft butter with 1 tsp Dijon mustard and spread over 8 slices white bread. Fill with 200g leg ham and 4 slices Swiss cheese. Cut off the crusts, cut into quarters and wrap in wax paper, like the automat windows.

2. **Cinnamon doughnut holes, coffee custard** SNACK
   Mix 250g self-raising flour, 50g caster sugar, 1 egg, 150ml milk and 30g melted butter into a soft dough. Roll into 24 small balls. Fry at 170C for 3 minutes until golden and cooked through, then roll in 80g caster sugar mixed with 2 tsp cinnamon. Heat 300ml custard with 2 tsp instant coffee dissolved in 1 tbsp hot water and serve warm for dipping.

3. **Florida coconut prawns** MAIN
   Butterfly 600g green prawns, leaving the tails on. Dust in 50g flour, dip in 2 beaten eggs, then press into 80g panko mixed with 80g shredded coconut. Fry at 180C for 2 minutes until golden. Serve with 150ml sweet chilli sauce and lime wedges.

4. **Florida orange cake** SWEET
   Boil 2 whole oranges for 1 hour until soft, cool and blitz smooth, skin and all. Beat 6 eggs with 250g caster sugar, then mix in the oranges, 250g almond meal and 1 tsp baking powder. Pour into a lined 22cm tin and bake at 180C for 1 hour. Cool in the tin.

5. **Ratso's Florida coconut pineapple cooler** DRINK
   Shake 400ml coconut water, 300ml pineapple juice, 60ml lime juice and 60ml coconut cream with ice for 15 seconds until frothy. Strain into 4 ice-filled tall glasses. Add 30ml white rum to each glass for a boozy version. Garnish with a pineapple wedge and a lime wheel.

SHOWTIME CUE Serve the mains when Joe and Ratso plan their bus trip to Florida.
