A WORD FROM OUR FOUNDER

WELCOME TO JURASSIC PARK.

You are among the very first guests on Isla Nublar. After your tour, our visitor centre kitchen will look after you, and I have made sure of one thing above all: we spared no expense.

Every dining stop is numbered on the guest map inside. Please keep your hands inside the tour car between stops.

John Hammond
Founder and Chairman, InGen

In the hatchery. Mr. Hammond insists on being there for every birth on the island.
