HOW TO MAKE IT

1. **Prawn cocktail for the whole hotel** SNACK
   Poach 500g green prawns in salted water with lemon and a bay leaf for 2 minutes, then plunge into iced water and peel. Mix 4 tbsp mayo with 2 tbsp tomato sauce and a squeeze of lemon. Serve on shredded iceberg in glasses, dusted with paprika.

2. **Caviar blini** SNACK
   Warm 16 buckwheat blini on a tray at 180C for 5 minutes. Top each with a teaspoon of crème fraîche, about 150ml in total, then half a teaspoon of salmon roe and a few snipped chives. Serve straight away while they are still warm.

3. **Surf and turf** MAIN
   Reduce 60ml white wine vinegar with tarragon to 2 tbsp, whisk with 3 yolks over a low heat and drizzle in 200g warm clarified butter. Sear 4 eye fillet steaks to medium rare and rest. Split 2 lobster tails, brush with garlic butter and grill for 6 minutes.

4. **Rare stamp shortbread** SWEET
   Beat 250g butter with 100g icing sugar, then mix in 250g plain flour and 60g rice flour. Roll to 6mm, cut into rectangles with a pinking cutter and bake at 160C for 20 minutes. Cool and pipe a little stamp design on each with icing.

5. **Monty's champagne cocktails for the bar** DRINK
   Drop a sugar cube into each of 4 flutes and shake 2 dashes aromatic bitters onto each. Add 15ml orange liqueur to each glass. Top slowly with 120ml chilled brut champagne. Twist a strip of orange peel over each glass and drop it in.
