How to make it

1 **Chez Bippy provolone-stuffed fried olives** SNACK

Drain 24 large pitted green olives and pat dry. Cut 80g sharp provolone into small sticks and push one into each olive. Roll in 40g plain flour, dip in 1 beaten egg, then coat in 80g fine breadcrumbs. Heat oil to 180C and fry in two batches for 2 minutes until deep golden, then drain. Stir the zest and juice of half a lemon and 1 crushed garlic clove into 100g mayonnaise. Dust the olives with chilli flakes and serve with the aioli.

2 **Doo-wop garlic knots** SNACK

Cut 400g pizza dough into 12 strips and tie each in a loose knot. Place on a lined tray, cover and prove in a warm place for 30 minutes. Bake at 230°C conventional for 12 minutes until golden. Melt 50g butter with 2 finely minced garlic cloves over low heat for 2 minutes. Toss the hot knots straight from the oven with the garlic butter, 2 tbsp chopped parsley and 30g finely grated parmesan.

3 **Sonny's Sunday rigatoni** MAIN

Mix 400g pork and beef mince with 1 egg, 40g breadcrumbs, 1/2 tsp salt and 1/4 tsp black pepper; shape into 12 meatballs. Brown the meatballs and 400g pork ribs in 2 tbsp olive oil in a heavy pot for 8 minutes, turning, then set aside. Soften 1 diced onion for 5 minutes, add 3 sliced garlic cloves for 1 minute, then add 800g tinned tomatoes, 200ml water and 10 basil leaves. Return the meat, cover partly and simmer gently for 2 hours, stirring occasionally and adding water if needed. Check the ribs are tender and the meatballs are cooked through. Boil 400g rigatoni in salted water for the packet time, drain and toss with sauce. Serve the meat on a platter with the pasta.

4 **Arthur Avenue cannoli** SWEET

Drain 250g fresh ricotta in a lined sieve in the fridge for at least 2 hours. Beat with 40g icing sugar and 1/2 tsp vanilla extract until smooth; fold in 30g mini chocolate chips. Pipe into 8 small bought cannoli shells just before serving. Dip the ends in 30g finely crushed pistachios. Serve two small cannoli per person.

5 **Espresso with anisette** DRINK

Use 36g espresso beans to brew four 30ml short espressos into warmed demitasse cups. Serve 15ml anisette or sambuca beside each cup for pouring in. Cut four small curls from the remaining peel of the lemon used for the olives, avoiding bitter white pith, and serve one with each coffee.
