How to make it

1 **Delancey Street knishes** SNACK

Boil 500g peeled potatoes 15 minutes, drain and mash. Cook 1 finely diced brown onion in 30g butter over low heat for 15 minutes until golden, then mix into the mash with salt and white pepper. Cut 2 sheets puff pastry into 4 squares each, fill, fold into parcels and brush with 1 beaten egg. Bake at 200C for 25 minutes. Serve with 40g hot English mustard.

2 **Bagel crisps with schmear** SNACK

Slice 3 day-old bagels into thin rounds, brush with 2 tbsp olive oil and bake at 180C for 12 minutes until crisp. Beat 250g cream cheese with 2 tbsp chopped chives and the zest of 1 lemon. Serve the crisps with the schmear and 150g smoked salmon on the side.

3 **Fat Moe's back room brisket** MAIN

Season a 1.5kg beef brisket with salt and pepper and sear hard on all sides. Slice 3 brown onions into a roasting dish, sit the brisket on top, and pour over 500ml beef stock whisked with 2 tbsp tomato paste and 2 tsp sweet paprika. Cover and braise at 150C for 4 hours. Rest 20 minutes, slice against the grain, and boil the juices for 10 minutes to make gravy.

4 **Patsy's charlotte russe** SWEET

Cut 8 rounds from a 300g sponge cake to fit the bottom of 8 paper cups. Whip 300ml thickened cream with 100g mascarpone, 2 tbsp icing sugar and 1 tsp vanilla extract to firm peaks. Pipe high over the sponge in a tall swirl and top each with a maraschino cherry. Chill 30 minutes before serving.

5 **Fat Moe's rye whiskey sour in teacups** DRINK

Make sugar syrup by dissolving 50g caster sugar in 50ml hot water, then cool. Shake in two rounds: 120ml rye whiskey, 60ml lemon juice, 40ml sugar syrup and 1 egg white, first without ice for 15 seconds, then with ice for 15 seconds. Strain into 4 china teacups. Add 2 drops of aromatic bitters to the foam on each and serve straight away.

Showtime cue Bring the charlotte russe out when young Patsy sits on the stairs and eats the one he bought for Peggy.
