HOW TO MAKE IT

1. **Chimichanga bites** SNACK
   Brown 400g beef mince with 1 tbsp taco seasoning, add 400g refried beans and cool. Fill 8 small tortillas with the mix and 120g grated cheese, roll tightly and fry seam down at 180C until golden. Halve and serve with 200g sour cream and 300g salsa.

2. **Void wasteland chips** SNACK
   Slice 800g potatoes paper thin on a mandoline and rinse well. Dry thoroughly and fry at 170C in batches until crisp. Toss straight away with smoked paprika, garlic powder and sea salt. Serve in a big bowl, dusty as a wasteland.

3. **Void campfire chilli** MAIN
   Brown 800g beef mince with 1 diced onion and 3 crushed garlic cloves. Add 2 tbsp chilli powder, 1 tsp ground cumin, a 400g can crushed tomatoes and a 400g can drained kidney beans. Simmer for 40 minutes, then serve with grated cheddar and corn chips.

4. **Red and yellow sundae** SWEET
   Blend 200g raspberries with a spoon of sugar and strain. Blend a mango until smooth. Scoop vanilla ice cream into tall glasses, spoon raspberry sauce down one side and mango down the other, then pile whipped cream on top.

5. **Logan's whisky and ginger highball** DRINK
   Put one large ice cube or a few big ones into each of 4 tall glasses. Pour in 45ml whisky, the juice of a quarter of a lime and a dash of bitters. Top slowly with about 150ml cold ginger ale and stir once. Garnish with a lime wedge. For non-drinkers, swap the whisky for cold strong tea with a squeeze of lime.
