HOW TO MAKE IT

1. **Atomic Comics popcorn** SNACK
   Heat 2 tbsp coconut oil with 3 kernels, then add 120g kernels once they pop, cover and shake until the popping slows. Toss with 50g melted butter, 40g finely grated parmesan and plenty of cracked pepper. Fill four paper bags.

2. **D'Amico's prosciutto melon bites** SNACK
   Peel and seed half a rockmelon and cut into 20 cubes. Tear 10 slices of prosciutto in half lengthways. Wrap each melon cube in a strip of prosciutto with a small basil leaf tucked inside and spear with a cocktail pick. Arrange on a platter, drizzle with 1 tbsp aged balsamic and olive oil and finish with cracked black pepper.

3. **Bowling alley burger** MAIN
   Mix 100g mayo, 2 tbsp relish and 1 tsp mustard for sauce. Smash 8 thin patties from 800g mince on a smoking griddle, add American cheese and stack two per toasted bun with pickles and sauce. Fry 1kg potato chips twice and salt.

4. **Bowling alley ice cream sundae** SWEET
   Melt 100g dark chocolate with 100ml cream. Layer scoops of vanilla and chocolate ice cream in four tall glasses with the hot fudge. Finish with whipped cream, sprinkles and a cherry on top.

5. **Hit-Girl's purple grape ginger fizz** DRINK
   Freeze 200g red grapes for 2 hours. Grate 2cm fresh ginger and squeeze the juice through a sieve into a jug. Add 500ml grape juice and the juice of 1 lime and stir. Fill 4 small tumblers with frozen grapes, pour in the grape mix and top each with 60ml soda water.
