HOW TO MAKE IT

1 **Oak Bar cheese gougères** SNACK

Boil 125ml water with 50g butter, beat in 75g flour until it leaves the pan, cool 5 minutes and beat in 2 eggs, then 80g grated gruyère. Pipe 20 small puffs and bake at 200C for 22 minutes until hollow and golden.

2 **Dining car relish tray** SNACK

Cut 4 celery sticks and 2 carrots into sticks and trim 1 bunch radishes. Arrange on crushed ice with 150g mixed olives and 4 dill pickles cut into spears, and add a small dish of 125g cream cheese for spreading.

3 **Dining car brook trout** MAIN

Dust 4 cleaned whole trout in flour and season. Fry 2 at a time in 40g butter for 4 minutes a side until crisp. Brown another 40g butter with 40g flaked almonds, add the juice of 1 lemon and chopped parsley and spoon over the fish.

4 **Baked Alaska** SWEET

Lay a 20cm sponge round on a tray and dome 1L firm vanilla ice cream on top, then freeze. Whisk 4 egg whites with 200g sugar to stiff, glossy peaks. Cover the ice cream completely in meringue and bake at 230C for 4 minutes until browned. Serve straight away.

5 **Gibson** DRINK

For each drink, stir 60ml gin and 10ml dry vermouth over ice for 30 seconds and strain into a chilled glass with a cocktail onion. Pour sparkling water over ice with onions for anyone off the gin.
