HOW TO MAKE IT

1. **Smallville corn on the cob** SNACK
   Boil 4 corn cobs for 5 minutes, then char on a hot grill for 5 minutes, turning. Cut each cob in half. Roll in 40g softened butter and sprinkle with sea salt flakes and 1 tsp smoked paprika.

2. **Kryptonite jelly** SNACK
   Make 2 packets of lime jelly crystals with 400ml boiling water instead of the usual amount, adding 2 softened gelatine leaves to set it firm. Pour into a lined slab tin and chill 4 hours. Cut into jagged crystal shards, pile on a plate and serve with 200ml whipped thickened cream.

3. **Ma Kent's fried chicken** MAIN
   Soak 1.2kg chicken pieces overnight in 500ml buttermilk with 2 tsp salt. Dredge in 200g flour seasoned with paprika and pepper and fry at 165C for 12 to 15 minutes until 74C inside. Boil 800g potatoes, mash with butter and milk. Make gravy with 2 tbsp of the fat, 2 tbsp flour and 400ml chicken stock.

4. **Fortress of Solitude meringues** SWEET
   Whisk 4 egg whites and 220g caster sugar in a bowl over simmering water until the sugar dissolves, then whisk off the heat with 1/4 tsp cream of tartar until stiff and glossy. Pipe tall jagged crystal shapes on lined trays and bake at 100C for 90 minutes. Cool in the oven and dust with edible glitter.

5. **Daily Planet malted iced latte** DRINK
   Brew 4 shots espresso. Stir 3 tbsp malted milk powder and 2 tbsp brown sugar into the hot coffee until dissolved, then cool. Fill 4 glasses with ice and 150ml cold milk each, then pour the coffee over. Whisk 100ml cream with 1 tbsp icing sugar until just thick but pourable, spoon on top and dust with cocoa.
