HOW TO MAKE IT

1. **Post-battle hummus with spiced lamb** SNACK
   Blitz 2 drained 400g tins chickpeas with 100g tahini, 1 garlic clove, the juice of 1 lemon, salt and 80ml ice water for 3 minutes until very smooth. Fry 250g lamb mince in oil until crisp, adding 1 tsp cumin, half a tsp cinnamon and 1 tsp paprika. Toast 30g pine nuts. Swirl the hummus onto a plate, spoon the hot lamb over, add pine nuts, chilli oil and parsley. Warm 4 flatbreads.

2. **Asgardian honey roasted nuts** SNACK
   Toss 400g mixed nuts with 2 tbsp honey, 30g melted butter and chopped thyme. Roast at 170C for 12 minutes, stirring once. Sprinkle with flaky salt while warm and stir as they cool so they don't stick together.

3. **Shawarma** MAIN
   Marinate 1kg chicken thighs in 150g yoghurt, 3 garlic cloves, 1 tsp each cumin, coriander and paprika, a pinch of cinnamon and lemon juice overnight. Grill and slice. Serve in 4 warm flatbreads with garlic sauce, pickled turnips, tomato and parsley.

4. **Captain America shield cookies** SWEET
   Beat 125g butter with 100g sugar and 1 egg, then mix in 250g flour. Cut 12 rounds and bake at 180C for 9 minutes. Mix 300g icing sugar with water to a thick icing, tint some red and some blue, and ice rings with a blue centre and white star.

5. **Asgardian mead** DRINK
   Stir 1 tbsp honey and a squeeze of lemon into each of four glasses until dissolved. Fill with ice and top with ginger beer. For the grown-ups, pour 120ml chilled mead instead. Raise the glasses high.

SHOWTIME CUE Serve the shawarma during the end credits, when the team eats in silence.
