A WORD FROM YOUR HOST

WELCOME TO JURASSIC PARK.

You are among the very first guests to see what we have built on Isla Nublar. Your tour car will bring you back to the visitor centre for lunch, and I promise you this: we spared no expense.

Follow the numbers on the park map, eat well, and keep your hands inside the vehicle.

John Hammond
Founder, InGen

The hatchery. Hammond is there for every birth on the island.
