HOW TO MAKE IT

1 **Baxter's wheel of cheese** SNACK

Score the top of a 500g brie wheel. Drizzle with 2 tbsp honey, scatter thyme and 50g walnuts and bake at 180C for 15 minutes until molten. Serve with crackers. Baxter would approve.

2 **Carne asada fries** SNACK

Marinate 500g skirt steak in juice of 2 limes, 2 garlic cloves and 1 tsp cumin for 1 hour, grill hot 3 minutes a side and chop. Bake 750g frozen fries until crisp, cover with 150g grated Monterey Jack and grill to melt. Top with the steak, 1 mashed avocado and 100g sour cream.

3 **San Diego crispy chicken tacos** MAIN

For four, cut 600g chicken breast into strips. Coat in 60g plain flour mixed with 1 tsp smoked paprika and 0.5 tsp ground cumin, dip in 2 beaten eggs, then press into 100g panko breadcrumbs. Arrange on a lined tray, drizzle with 2 tbsp olive oil and bake at 220C for 18-22 minutes, turning halfway, until golden and the thickest piece reaches 75C. Mix 150g sour cream with the juice of 1 lime. Dice 2 tomatoes and 0.5 onion and toss with the juice of a second lime. Warm 12 corn tortillas according to the packet. Fill with chicken, 200g shredded cabbage, tomato salsa and lime crema. Keep any chilli on the side.

4 **ButterSCOTCH pudding** SWEET

Serves four. Heat the oven to 180C conventional (160C fan-forced). Grease a deep 1.5L baking dish with 10g butter. Whisk 150g self-raising flour with 75g dark brown sugar and a pinch of salt. In another bowl whisk 50g melted butter, 125ml milk, 1 egg and 1 tsp vanilla extract. Fold the wet mixture into the dry ingredients just until combined and spread into the dish. Mix 100g dark brown sugar with 1 tbsp cornflour and sprinkle evenly over the batter. Dissolve 2 tbsp golden syrup in 250ml boiling water. Gently pour over the back of a spoon onto the pudding without stirring. Place the dish on a baking tray and bake for 30-35 minutes, until the sponge is set and a skewer inserted into the sponge comes out clean; sauce will remain underneath. Rest for 5 minutes, then scoop into four bowls with the warm butterscotch sauce and a scoop of vanilla ice cream each. All the butterscotch flavour, no whisky.

5 **Great Odin's Raven! Blackberry lemonade** DRINK

For four, gently simmer 125g blackberries with 40g caster sugar and 60ml water for 5 minutes, crushing the berries. Strain and cool completely. Divide the syrup and 60ml lemon juice between four ice-filled glasses. Top with 800ml chilled sparkling water and stir. Taste and add a little more sugar if needed. Serve with lemon slices. No alcohol.

SHOWTIME CUE Serve the cheese when Ron finds out Baxter ate a whole wheel of cheese.
