How to make it

1 **Nakatomi party canapés** SNACK

Warm 16 cocktail blini on a tray at 180C for 4 minutes. Top each with 1 tsp crème fraîche, a curl of smoked salmon (about 150g in total), 1/2 tsp salmon roe and a small sprig of dill. Pass around on a tray straight away so the blini are still warm.

2 **Argyle's limo snacks** SNACK

Melt 30g butter with 1 tbsp brown sugar, 2 tsp chopped rosemary, 1/4 tsp cayenne pepper and 1/2 tsp salt. Toss through 150g cashews and 150g almonds, spread on a lined tray and roast at 170C for 12 minutes, stirring halfway. Cool for 5 minutes so they crisp, then serve warm in a glass bowl.

3 **Christmas party roast beef rolls** MAIN

Rub a 1kg beef topside with 1 tbsp Dijon mustard, 1 tsp cracked pepper and 1 tsp salt. Roast at 200C for about 35 minutes until 52C inside, then rest 15 minutes and shave thin. Stir 2 tbsp horseradish into 150ml sour cream. Split 8 soft rolls, spread with the horseradish cream and fill with beef, 60g rocket and 100g pickled onions, sliced.

4 **Snack cakes for Al** SWEET

Beat 125g soft butter with 150g caster sugar, add 3 eggs one at a time and 1 tsp vanilla extract, then fold in 200g self-raising flour and 80ml milk. Bake in a lined 20 by 30cm tin at 180C for 22 minutes, cool and cut into 12 fingers. For the cream, boil 150g caster sugar with 50ml water to 118C and pour into 2 egg whites whisking hard until thick and glossy. Split the fingers and pipe the cream inside.

5 **Argyle's limo bar old fashioned** DRINK

Make syrup by dissolving 2 tbsp brown sugar in 2 tbsp hot water. In a jug with ice, stir 240ml bourbon, 4 tsp of the syrup and 8 dashes orange bitters for 30 seconds until very cold. Strain into 4 heavy tumblers over one large ice cube each. Squeeze a strip of orange peel over each glass, rub the rim with it and drop it in.

Showtime cue Serve the canapés when the Nakatomi Christmas party is in full swing.
