HOW TO MAKE IT

1 **Boardwalk pretzel bites** SNACK

Mix 250g plain flour, 4g instant yeast, 1 tsp sugar, 1/2 tsp salt and 160ml warm water. Knead 8 minutes, cover and rise 1 hour. Roll into ropes and cut into 24 bites. Simmer 1 litre water with 30g bicarbonate of soda; boil bites in batches for 20 seconds, drain and bake on baking paper at 220°C for 12 to 15 minutes. Brush with 20g melted butter. For dip, melt 15g butter, stir in 15g flour, whisk in 150ml milk and simmer 2 minutes. Remove from heat and stir in 100g grated cheddar. Serve with mustard.

2 **Street-cart corn** SNACK

Quarter 4 corn cobs lengthways on a secure board with a sturdy sharp knife; use whole cobs if easier. Brush with 30g melted butter mixed with 1/2 tsp chilli flakes and a pinch of smoked salt. Roast at 220°C for 20 to 25 minutes, turning once, until tender and charred at the edges. Finish with the juice of 1 lime.

3 **Coney Island chilli dogs** MAIN

Dice 1 onion; reserve a quarter for topping. Fry the rest in 1 tbsp oil with 2 minced garlic cloves, add 400g beef mince and brown well. Stir in 1 tbsp tomato paste, 1 tsp each ground cumin and smoked paprika, 400g tinned tomatoes and 100ml water. Simmer 25 minutes; season with salt. Bake 600g shoestring fries as directed on the packet. Griddle 8 beef franks until piping hot and warm 8 buns. Fill buns with franks and chilli; finish with reserved onion and mustard. Serve fries alongside.

4 **Chocolate-dipped ice-cream sandwiches** SWEET

Soften 500ml vanilla ice cream just enough to scoop. Sandwich between 8 large chewy chocolate cookies to make 4 sandwiches. Freeze on a lined tray for 1 hour. Melt 150g dark chocolate gently, cool until just warm, dip half of each sandwich and return to the freezer for 15 minutes. Make ahead so they're ready when the film finishes.

5 **Cherry cola** DRINK

Fill 4 glasses with ice. Add 15ml cherry syrup to each, top each with 250ml cola and squeeze in a lime wedge. Stir once. Taste before adding more syrup.

SHOWTIME CUE Bring out the chilli dogs when the journey heads back towards Coney Island.
